Everything One Holyoke Community Development Corporation does is intended to help fulfill that need.”*

With residents and partners, LISC forges resilient and inclusive communities of opportunity across America – great places to live, work, visit, do business and raise families. Over the last 38 years, LISC and its affiliates have invested approximately \$20 billion in businesses, affordable housing, health, educational mobility, community and recreational facilities, public safety, employment and other projects that help to revitalize and stabilize underinvested communities. These investments have leveraged more than \$50 billion in development activity and helped families and communities raise their standards of living. LISC investments impact the lives of nearly 7 million Americans. Headquartered in New York City, LISC's reach spans the country from East coast to West coast in 31 markets with offices extending from Buffalo to San Francisco.
